CHECKLIST

Before Your Pet Behaviour Consultation

- [ ] Complete the questionnaire with as much detail as possible
- [ ] Keep a diary of the behaviour for at least a week
- [ ] Gather vaccination records and recent vet notes
- [ ] List all medications and supplements your pet takes
- [ ] Make sure everyone in the household can attend or be briefed
- [ ] Rule out health issues with your vet before the appointment
- [ ] Set aside two uninterrupted hours on the day
- [ ] Prepare questions about specific behaviours you want to address
